- Texas State Technical College (TSTC) at Sweetwater has successfully operated a vocational nursing education program since 1973.
- The Breckenridge extension of TSTC was approved and began operation in 1991.
- An evening program at Sweetwater was approved to enroll students in 1995.
- TSTC has decided to consolidate the programs since there is one director and the same curriculum is used in all three programs.
- Advantages to the program include the fact that all documentation will reflect the activities of all programs and duplication will be eliminated.
- Consolidation will become effective following notification and approval by other appropriate Texas State approval agencies.

SUMMARY:

- Consolidation will be effective following approval by other Texas State approval agencies.
- Previous Program Codes for Breckenridge and the evening program at Sweetwater will be deactivated.
- Program Code for TSTC VN Day Program will be the only Program Code utilized.
